## Preface

The Department of Science & Technology (DST) is responsible for generation of a reliable Database on resources (both financial and human) deployed on research and development (R&D) activities by various types of institutions/industries in the country. In order to discharge such a responsibility effectively, a database on the contact addresses of institutions/industries is an essential pre-requisite. The National Science and Technology Management Information System (NSTMIS), DST has been making continuous effort for updation of data on R&D institutions in the country. In fact, the Directory of R&D Institutions is mainly a spin-off publication arising out of the in-house national R&D survey exercise and is ably supplemented by other secondary sources.

The present Directory, twelfth in the series, provides a listing of 7888 R&D Institutions with complete addresses arranged alphabetically by various S&T sectors. Details on various communication modes such as phone, mobile, e-mail, website addresses have also been given, wherever possible. Every care has been taken to provide accurate information on the R&D Institutions located throughout the length and breadth of the country. The scope and coverage of the present edition of the Directory has been enlarged with the addition of 138 universities and Institutes of National Importance, 6 Agricultural Universities, 241 Industries registered with Department of Scientific and Industrial Research and 921 industries with potential to undertake R&D activities.

The Directory of R&D Institutions is widely used by professionals engaged in policy making, planning, science, administration, industry, teaching and research apart from other stakeholders active in S&T sector in the country.

The Department acknowledge the efforts of TERI, New Delhi for compilation of this directory under the supervision of NSTMIS, DST. The response received from various central government scientific departments/agencies, research institutions both public and private and other stakeholders for providing valuable information in collation of the directory is also greatly acknowledged.

The Department would welcome any comments/suggestions to enrich this Directory, available online at [www.dst.gov.in](http://www.dst.gov.in) and [www.nstmis-dst.org](http://www.nstmis-dst.org) for the users.

# ABOUT THE DIRECTORY

## INTRODUCTION

The Department of Science & Technology (DST) has been compiling information on the communication modes for approaching Research & Development (R&D) organisations in the country since 1978 for conducting National level survey on resources (both financial and human) deployed on R&D activities. The present Directory contains information on the 7888 R&D Organisations in the form of addresses/Email /Website/Phone no. /Mobile no. (E-Email, W-Website, P-Phone, M-Mobile)

The term R&D institution, used in this Directory refers to either a national laboratory or a research institute or a research station or private and public sector in-house R&D unit or a not for profit Scientific and Industrial Research Organisation (SIRO) or an academic institution. The Organisations under various sectors mentioned above are not homogeneous and are of varied sizes in terms of infrastructure facilities and research inputs like manpower and expenditure etc. deployed on S&T activities.

## ORGANISATION OF DIRECTORY

This Directory has been divided into three parts. **Part-I** of the Directory contains information regarding all R&D organisations/ institutions. The information in the Directory is arranged sector-wise and listing has been done alphabetically in the following manner.

### 1. Central Government R&D institutions

These institutions are divided into three broad groups viz. a) Major Scientific Central Government Ministries/ Departments/Agencies (b) Other Central Government Ministries / Departments (c) Central Government Public Sector in-house R&D units.

**Note: The classification of Major Scientific Agencies are based on two criteria (a) The nature of their activities being predominantly R&D and (b) The research input by them on R&D activities is sizeable.**

#### (A) Major Scientific Agencies

The institutions under Major Scientific Central Government Ministries/Departments/Agencies are arranged alphabetically as given below:

- Defence Research and Development Organization (DRDO)
- Department of Atomic Energy (DAE)
- Department of Space (DOS)
- Indian Council of Agricultural Research (ICAR)
- Indian Council of Medical Research (ICMR)
- Ministry of Electronics & Information Technology (MEITY)
- Ministry of Earth Sciences (MOES)
- Ministry of Environment, Forest and Climate Change (MOEFCC)
- Ministry of New and Renewable Energy (MNRE)
- Ministry of Science and Technology (MST)

A-Council of Scientific and Industrial Research (CSIR)

B-Department of Biotechnology (DBT)

C-Department of Science and Technology (DST)

The Laboratories are arranged alphabetically under each agency. Some institutions that are affiliated to ministries and are also SIROs have been recorded at one place depending generally on their affiliation.

## **(B) Other Central Ministries/Departments**

The Ministries/Departments are arranged alphabetically. Also the organizations under their administrative control have been arranged in alphabetic order.

## **(C) Central Public Sector**

The Central Government in-house R&D units of Public Sector Industries arranged under respective ministries/ departments alphabetically are given separately under the title Central Public Sector.

## **2. State Sector**

In State Sector, first the States have been arranged alphabetically. Further, within the State the R&D institutions have been presented in the order of Agricultural universities, Research Stations and State Government R&D institutions. The State Public Sector industries state-wise in alphabetic order in each state have been reflected separately under the title State Public Sector.

## **3. Academic Sector**

Higher Education Sector comprising of Central, State, Deemed, Private universities, and Institutions of National Importance have been listed alphabetically under the Higher Education Sector. All the State Agriculture Universities are included in the respective State Government list in the State Sector.

## **4. Scientific and Industrial Research Organisations**

Scientific and Industrial Research Organisations (SIROs) recognized by Department of Scientific and Industrial Research (DSIR) are arranged alphabetically under the title Scientific and Industrial Research Organisations(SIROs).

## **5. Private Sector Industries**

In-house R&D units of private sector industry recognised by Department of Scientific and Industrial Research (DSIR) are arranged alphabetically under the title Private Sector industry. This is followed by Industries performing R&D but not registered with DSIR. The details of such units have been taken from the Central Monitoring of Indian Economy (CMIE) database. This Directory also includes industries that have potential to undertake R&D activities as they were earlier recognised by DSIR. These are also arranged in alphabetic order.

## **6. State-wise Index**

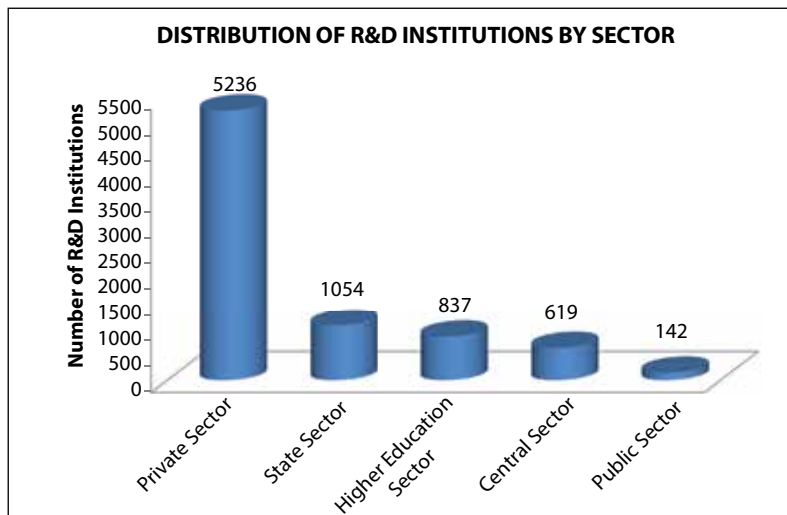

In **Part-II** of the Directory, R&D institutions located in various states have been presented state-wise and within the state, sector-wise and further within the sector alphabetically with record numbers to understand the distribution of R&D institutions of different sectors in states and union territories and to make the searching of institutions more easy.

## **7. Alphabetical Index**

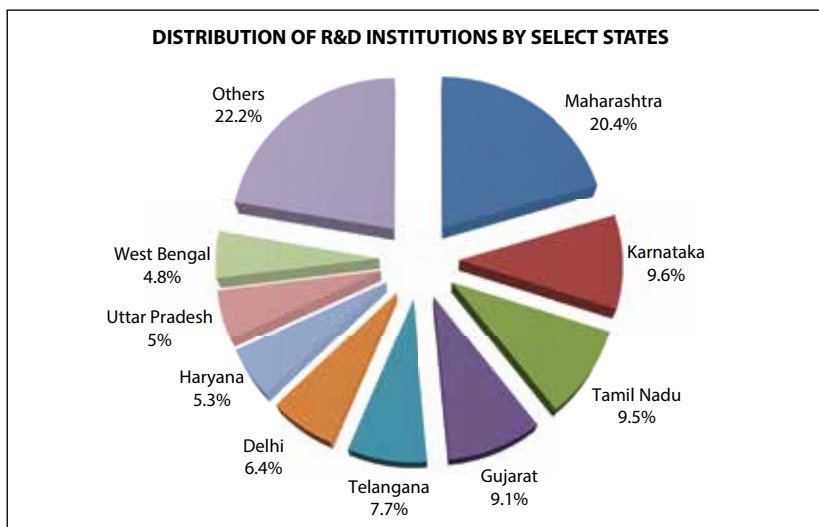

The names of all R&D institutions along with their respective record numbers as given in **Part-I** have been arranged alphabetically in **Part-III** of the Directory.

# AN OVERVIEW

The Directory contains communication details of 7888 R&D institutions in the Country. The maximum number of R&D institutions 1610 (20.4%) are located in the State of Maharashtra. This is followed by Karnataka, Tamil Nadu, Gujarat and Telangana with 754 (9.6%), 751 (9.5%), 717 (9.1%) and 611 (7.7%) respectively. In case of Central Sector, the maximum number of R&D institutions 72 (11.6%) are located in the State of Delhi. This is followed by Maharashtra and Karnataka with 65 (10.5%) and 59 (9.5 %) of total Central Sector R&D institutions respectively. The share of various sectors in total number of R&D institutions is: Central Government 7.8%, State Governments 13.3%, Higher Education Sector 10.6%, Private Sector including Scientific & Industrial Research organizations 66.3% and Public Sector Industry including State Public Sector 1.8%. The Sector-wise and State-wise numbers of R&D organisations are as follows.

- Note:
1. Higher Education comprises of Central, State, Deemed, Private Universities and Institutes of National Importance.
  2. Private industry comprises of DSIR recognized in-house R&D units, Scientific and Industrial Research Organisations, Industries not recognized by DSIR performing R&D activities taken from CMIE database and Industries with potential for R&D.
  3. Public Sector Industries comprises of Central Public Sector and State Public Sector
