

Joint Call for Applications for Mobility of Researchers

(Department of Science and Technology, DST and Academy of Finland)

(Deadline for Submitting Proposals: October 15, 2018)

Department of Science and Technology (DST) and the Academy of Finland have decided to launch a call for application to support **mobility of researchers** between the two countries in **fields of natural sciences and engineering**. The aim of this call is to support long-term and systematic research collaboration with a view to promoting the mobility of researchers between India and Finland. The Call is open to scientists, engineers or faculty members regularly employed in universities and research institutions / centres including hospitals in India or Finland.

Mobility from India to Finland:

Indian researchers in fields of natural sciences and engineering can apply for DST funding to visit Finland. The Indian applicant must have a doctoral degree and a regular position in university / research institute or a research center in India. The application must include invitation by the Finnish host and research plan. A visit may be applied for 2 weeks to 3 months. The visit must be realized during March – December 2019.

DST will forward the shortlisted applications to the Academy of Finland for final selection and award of mobility grant. DST will provide round-trip economy-class airfare to the relevant entry city of the Finland as well as medical insurance. The Academy of Finland contributes to the costs of the visit with a grant covering accommodation and living costs in Finland. Max. 10 Indian researchers may be funded in 2019.

The Indian researcher seeking funding for travel grant can download the application format from websites www.dst.gov.in / www.onlinedst.gov.in and should submit completed application form and all relevant information. Application must be submitted to DST through the e-application system provided at www.onlinedst.gov.in. They are also requested to send **one hard copy** to DST by **20th October 2018** through proper channel. **Please note that the Invitation from Finnish host scientist, CV of the applicant and joint research plan are mandatory documents to be submitted alongwith the application.**

Mobility from Finland to India:

DST grants are intended for joint research at universities and research institutes in India. The Academy of Finland covers the applicant's travel costs and DST covers accommodation and living costs in India. The recommended grant duration is 2 weeks to 3 months. The visit must be realized during March – December 2019.

The Finnish applicant seeking for travel grant should be a researcher with a doctoral degree working in Finnish University / research institute. Academy of Finland funding is awarded as a personal grant. Applicants must take out health insurance for the grant period. The applications are drafted in the online services.

Appendices to application: Updated CV (appended in the online services under *Personal data/CV*), Invitation by host institution (those who will work in libraries and archives will also need an invitation letter), [List of publications](#), [Research plan](#), [Progress report](#)

(Deadline for Submitting Proposals: October 15, 2018)

INDO-FINNISHS CIENTIFIC & TECHNOLOGICAL COOPERATION

(Proforma for Application for Mobility of Researchers)

1. Personal Details of Applicant:

Name of Applicant	
Designation	
Date of Birth	
Institute	
Contact Address	
Telephone No. : Office	
Residence	
Fax No.	
e-mail	

2. Personal details of Finnish host:

Name of Host	
Designation	
Date of Birth	
Institute	
Contact Address	
Telephone No. : Office	
Residence	
Fax No.	
e-mail	

3. Duration of the Visit:Days

Start Date.....

End date.....

3. Field of Science & Technology covered by the proposal:

(Please specify the exact area)

4. **Objectives of the Visit** (indicate research work to be performed during the visit)
5. **Justification for collaboration**
6. **Added value to be generated and benefits to both sides out of this visit**
7. **Expected outcome of the visit**
8. **Information about past collaboration, if any:** *(Pls inform brief outcome of the earlier collaboration with total number of joint publications)*
9. **Bio-data of Indian applicant and Finnish host to be appended in about 2 pages each.**

[The description should highlight the expertise of the applicant in the proposed field of work supported by citing relevant latest publications only].

Signatures of the Applicant & Host

INDIAN

FINNISH

Declaration from the Head of the Institution:

It is certified that :

- i) The applicant is permanent faculty / researcher
- ii) The Institutions agree to allow the applicant for the intended visit to Finland.
- iii) The Institutions assume to undertake management responsibility.

Signature & Seal of the Head of the Indian Institution
